

CPRA - Status and Confirmation of Scientific Area

Instructions

The information provided in this form will be used by CIHR to assess the eligibility of the applicant as per requirements indicated in the Funding Opportunity.

The form must be consistent with what is provided in other sections of the application, where applicable.

NOTE: The applicant is responsible for uploading the duly completed document as a PDF in the ResearchNet application.

Applicant Information

Last Name:

First Name(s):

Section 1 - Status & Recognitions

Confirm if you are a [trainee](#) (and that you will maintain such status throughout the award duration).

Def. → *A trainee is an individual who is enhancing their research skills through actual involvement in research and who works under the formal supervision of an independent researcher. For the purposes of this funding opportunity, trainees **cannot hold or be on leave** from an [independent research](#) position.*

1. Are you a [trainee](#):

Select
2. Do you currently hold **or** are you on leave from an [independent research](#) position:

Select
3. Have you already received a postdoctoral-level scholarship from CIHR, NSERC or SSHRC:

Select

Section 2 - Studies Information and related Conditions

As of the application deadline, the applicant **must meet one of the following conditions** - Select all criteria that apply:

Reset

- A. Is a Canadian citizen, permanent resident of Canada, a Protected Person under subsection 95(2) of the *Immigration and Refugee Protection Act* (Canada)

☐
- B. Is an International* applicant that is currently registered in OR has completed a doctoral or health professional (HP) degree at a **Canadian** institution

☐
- C. Is an International* applicant that is currently conducting postdoctoral or post-health professional degree (HP) research at a **Canadian** institution

☐

 If **C.** is selected, indicate start date of the current postdoctoral position (**DD-MM-YYYY**):

*** International :** Applicants who are neither a Canadian citizen, permanent resident of Canada, nor a Protected Person under subsection 95(2) of the *Immigration and Refugee Protection Act* (Canada).

Section 3 - Confirmation of Scientific Area

In consulting the web page [Peer review Committees and Mandates - Canada Postdoctoral Research Awards \(CPRA\)](#), the applicant must select the most appropriate scientific area (representing more than fifty percent) for the application to determine most appropriate committee:

Select

Signature required: By signing under **section 3** of this form, the proposed **Primary Supervisor or Co-Supervisor** (if applicable) confirms that the most appropriate scientific area for the application has been selected.

Signature of Proposed Supervisor and Date
